In addition to Gary's comment. The manifests are for T-7, T-8, T-9, and T-10 but the SWS daily only mentions 8, 9, and 10 and the actual DWO is mentions all of them. Lets make sure all matches in the future. Only one item for the Port O Let but we have at 4 units. Is the line item for the set of 4? Just to make sure. thxs
